DUO MONOLITH

Duo Monolith is an elegant piece made in Moon Stone and solid walnut wood design by Matteo Thun and Antonio Rodriguez. This contemporary washbasin is part of a collection inspired by nature from Neutra, a family company established in Cantù, Italy, in 1880, where the Arnaboldi family has run the company through four generations.

FLUTE OFFICE

Made entirely from paper, the FlutePRO relies on clever use of corrugated board and bridge-building engineering techniques to conform to all British and European office furniture standards. In any colour or design, it comes with a 12-month warranty, and is the 2013 winner of the FIRA Innovation Award.
