Rock pool

Channel Italian palazzo chic with Neutra's Hydrowell bath, the first whirlpool to be carved from a single block of marble. The hi-tech design has been engineered to enhance the stone's natural tactile and sensory benefits, as well as to increase its capability to keep water at your preferred temperature.

Shown here in Marmo Bianco di Carrara marble, but also available in natural stone, the Hydrowell is made to order. (neutradesign.it)
